Competitions:

Hip Hop Crew will attend three to five regional competitions around the Kansas City metro area. Competition schedules are typically available two weeks prior to the event. The competitions are exciting and are a wonderful entry to competitive dance. Dancers are assigned to routines during the summer and compete those routines at each competition. Routines are awarded adjudication awards as well as special judges and entertainment awards during the award ceremony for their division.

Commitment:

Becoming a member of our dance teams requires a strong commitment of both the dancer and the parent. It is important that the dancer participates in every practice and maintains a year-round commitment to the team to be successful. Being a part of Hip Hop Crew is highly rewarding. It develops and enhances discipline, responsibility, goal setting, time-management skills, self-esteem and confidence. The physical and mental benefits will be carried with your child throughout their life.
