

Byrd's Competitive Gymnastics Team 2023-2024

USA Gymnastics Xcel Bronze-Platinum

Byrd's Competitive Gymnastics Team is a selected group of gymnasts that compete in the USA Gymnastics Xcel Program. We believe the USA Gymnastics Xcel Program provides the greatest opportunity for a successful competitive experience, while building character, long-lasting friendships, and happy, healthy athletes. To compete in USA Gymnastics sanctioned events, gymnasts must register as an Athlete Member with USA Gymnastics.

Commitment

Becoming a member of a competitive gymnastics team requires a year-round commitment from both the gymnast and the parent(s) to be successful. Competitive gymnastics is a highly rewarding sport that develops and enhances discipline, responsibility, goal setting, time-management skills, self-esteem, and physical fitness.
