

BYRD'S COMPETITIVE GYMNASTICS TEAM 2018-19
HOT SHOTS PREMIER AND PRIME

The Hot Shots program is a year round program with enrollment by invitation only. Selected gymnasts exhibit above average strength and flexibility, the ability to focus, a positive attitude and an exceptional work ethic.

Hot Shot level placement is by age and skill level. The focus is on skill development, form and technique, and the introduction of learning structured routines. This program will give your gymnast the opportunity to further develop skills on all apparatus (vault, bars, beam and floor) and allow her to experience working as part of a team in a fun and supportive environment.

Hot Shots Practice Schedule:

Hot Shots Premier Tuesday & Thursday 6:00-7:00

Hot Shots Prime Tuesday & Thursday 5:30-7:30

Competition:

There will be three “in-house” competitions per season for the Hot Shots program. “In-house” competitions are hosted at Byrd’s and provide a very low pressure and exciting introduction to competition. Hot Shots gymnasts will compete against each other based on age groups and skill levels. All competitors will perform similar routines or skills on each apparatus. They will be judged by qualified and professional judges and awarded ribbons, medals or a trophy for their performance

Commitment:

Becoming a member of a competitive gymnastics team requires a strong commitment of both the gymnast and the parent. It is important that the gymnast participate in every practice and maintain a year-round commitment to the sport in order to be successful. Competitive gymnastics is a highly rewarding sport that develops and enhances discipline, responsibility, goal setting, time-management skills, self-esteem and confidence. The physical and mental benefits will be carried with your child throughout their life.
